The 3rd ImmunoSensation²-IFReC International School on Advanced Immunology

October 28 - 31, 2024

The Awaji Yumebutai International Conference Center, Awaji, Japan

We are pleased to announce the 3rd ImmunoSensation²-IFReC International School on Advanced Immunology for early-career immunologists from all over the world (<https://advanced-immunology.net>). The school is jointly organized by ImmunoSensation² and the Immunology Frontier Research Center (IFReC) of Osaka University and takes place in Japan this year. Focus is on a mixed group of international participants. ImmunoSensation² can select **3 participants from Cluster groups**.

!Please note that Cluster scientists can only apply via the Cluster using the form below!

Further applications from Cluster scientists, including those submitted directly through the school's website, cannot be considered under any circumstances.

Who can apply?

PhD students in their final year and postdocs within three years since obtaining their PhD are eligible. The applicant must work in the group of a Cluster member.

What are the terms?

Participants are required to give a poster presentation and a short oral presentation. Participation in the entire program (4 days) is mandatory. ImmunoSensation² will cover costs for travel to and from the meeting. Accommodation and full board will be covered by the school.

How to apply?

Your application should include your CV, a letter of motivation for attending the school, an abstract, and a letter of recommendation from your supervisor.

Please upload your application documents and the signed application form in one pdf file (max. 5 MB) at <https://uni-bonn.sciebo.de/s/Wt7JBH8qDZuOdIF> until **April 20, 2024**.
