

## **PhD position – Cytokine-induced killer (CIK) cells immunotherapy in glioblastoma**

This Joint PhD project will be primarily based at the **University of Bonn (Germany)** with a minimum 12-month stay at the University of Melbourne (Australia).

Project: **Delineating the role of surface PD-L1 on extracellular vesicles in response to cytokine-induced killer (CIK) cells immunotherapy in glioblastoma**

Anticipated project start date: **Oct 01 2025**
