# First ImmunoSensation<sup>2</sup>-IFReC International School on Advanced Immunology

November 7 – 10, 2022

The Awaji Yumebutai International Conference Center, Awaji, Japan

We are pleased to announce that the ImmunoSensation<sup>2</sup>-IFReC International School on Advanced Immunology for early-career immunologists from all over the world premieres in Japan this year (<https://advanced-immunology.net>). The school is jointly organized by ImmunoSensation<sup>2</sup> and the Immunology Frontier Research Center (IFReC) of Osaka University.

Focus is on a mixed group of international participants. ImmunoSensation<sup>2</sup> can select **up to 5 participants from Cluster groups**. Further applications from Cluster scientists, e.g. directly through the school's website, cannot be considered.

### Who can apply?

PhD students in their final year and postdocs within three years since obtaining their PhD are eligible. The applicant must work in the group of a Cluster member.

### What are the terms?

Participants are required to give a poster presentation and a short oral presentation. Participation in the entire program (4 days) is mandatory. ImmunoSensation<sup>2</sup> will cover costs for travel to and from the meeting. Accommodation and full board will be covered by the school.

### How to apply?

Your application should include your CV, a letter of motivation for attending the school, an abstract, and a letter of recommendation from your supervisor.

Please submit your application documents and the signed application form in one pdf file (max. 5 MB) to [applications-immunosensation@ticket.uni-bonn.de](mailto:applications-immunosensation@ticket.uni-bonn.de) until **June 30<sup>th</sup>, 2022**.
