

The *Young Investigator Support* invites you to the first

IITB

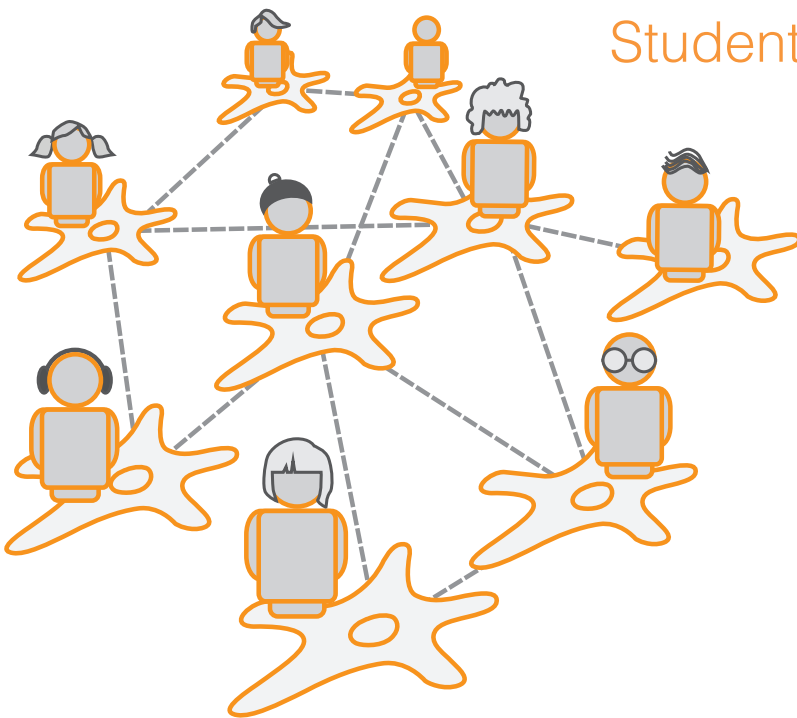

Students' Network Meeting

May 26th, 2015

09 a.m. - open end

at Haus Venusberg
Haager Weg 28 - 30, 53127 Bonn

exclusively for the IITB students.

The program includes:

- general information about ImmunoSensation, IITB and the CCO
- soft skill training: ‚Elevator Pitch‘
- introduction to the IITB Blog
- ‚Science Slam‘
- who is who @ UKB, LIMES, DZNE and caesar
- technical platforms
- ‚Young Academy‘: challenges on the way to become a PhD
- get-together with snacks and drinks

**Please send your registration including your name and institution to:
Kristina.Koch@uni-bonn.de until April 30th, 2015.**

Please notice that your registration is binding, so we can estimate the amount of participants for the catering service.
